Please take a moment to carefully read all information to help us give you the best results from your treatment.

If you are currently taking Accutane or have in the last 6 months, you should avoid waxing. If you are suffering from Diabetes, varicose veins or poor circulation we do not recommend waxing. Please inform your Esthetician if you have used Retin-A, Renova, Differin, Tazorac or any other skin thinning medication in the past 2 months. Inform your Esthetician if you have used Alpha-hydroxy acid, glycolic acid or antibiotics (oral or topical) in the past 48 hours.

Please note waxing does have certain side effects such as skin removal, redness, scabbing, bruising, scarring, swelling, tenderness, hyperpigmentation and/or pimples and infections.

I have read the above information and if I have any concerns I will address them with my Esthetician. I give permission to perform the waxing procedure we have discussed and will hold Naked Skin Studio (Alicia) harmless from any liability that may result from this treatment or any other appointment I may have in the future. I understand my Esthetician will take every precaution to minimize or eliminate negative reactions.

I am willing to follow the recommendations made by my Esthetician for a home care regimen that can minimize or eliminate possible negative reactions. In the event that I may have additional questions or concerns regarding my treatment or suggested home product/post-treatment care, I will consult my Esthetician.

I agree that this constitutes full disclosure and that it supersedes any previous verbal or written disclosures. I certify that I have read and fully understand the above information, I understand the procedure and accept the risks. I do not hold Naked Skin Studio (Alicia) responsible for any of my conditions that were present, but do not disclosed at the time of the skin procedure, which may be affected by the treatment performed today.
